

Strategic Planning Committee Charge

The purpose of the Strategic Planning Committee is to lead and enact a process that will foster the pervasive use of data and assessment in order to foster continuous improvement and mission fulfillment at the University of Montana Western.

The Strategic Planning Committee is charged with providing recommendations to the Chancellor and the Chancellor's Cabinet and to engage the University community regarding:

- strategic direction and priorities of the University of Montana Western
- mission, vision, and core themes
- priorities and goals
- functional area tactical action plans
- measurable objectives and baseline metrics
- identification of new challenges or opportunities, or emerging strategic issues that might require planning adjustments
- possibilities for structural or operational changes in order to support achievement of the mission, vision, and priorities of the University
- alignment of all University activities with the mission, vision, and priorities
- alignment of resource allocations with the mission, vision, and priorities
